

Quick Start Guide

Global Payments Terminal Plus

Processing a Sale Transaction

1. From the home page, select **Sale**.

4. Insert, tap, or swipe the card. Press **Confirm** to approve the amount and continue or **Cancel** to return to the checkout screen.

2. Enter the **amount**. Select **Add to Cart**, then press **Checkout**.

5. Tap **Email** to enter an email address and send a digital receipt, **Print** to print a receipt, or **Complete Sale** to exit this screen.

3. Tap the right **arrow** to choose a payment type.

Viewing Transaction History / Processing Refunds

- From the home screen select **History**.

NOTE: The History page is in chronological order, starting with the most recent sale.

- Select a **Transaction** to see more information.

- Select **Refund** to process a refund.

- Select the **Refund method**

- Select **Refund** to process the refund or choose **Cancel** to go back.

- Select **Email** to email a receipt, **Print** to print a receipt, or **Complete Refund** to exit this screen.

Close Batch

1. From the home screen, select **Management**.

2. From the **End of Day** tab, select **Count**.

3. Enter the cash amount from the drawer and select **Save Counts**.

4. Select **Print** to print the Z-Report. Tap **Close**.

5. Select **Yes** to close the current batch and return to the home screen.
